DID YOU KNOW that **Yizkor** (Hebrew meaning "remember", is recited as part of the prayer service (following the Torah and Haftarah readings) four times during the year; on **Yom Kippur**, the last day of Passover, the second day of Shavout, and on the eighth day of Sukkot (**Shemini Atzeret**).

This is based on the Jewish belief in the eternity of the soul. Although a soul can no longer do good deeds after death, it can **gain merit through the charity and good deeds of the living**. Yizkor also includes a pledge for charity, which is something that is believed to help avert a harsh decree.

Judah used to say: Ten strong things have been cre-ated in the world. The rock of the mountain is hard, but iron cleaves it. Iron is hard, but fire softens it. Fire is pow-erful, but water quenches it. Water is heavy, but clouds bear it. Clouds are thick, but wind scatters them. Wind is strong, but a body resists it. A body is strong, but fear crushes it. Fear is powerful but wine banishes it. Wine is strong, but sleep works it off. Death is stronger than all, yet charity delivers from death. As it is written, "Charity delivereth from Death" (Proverbs 10:2)." -- (Bava Batra 10a)
